For decades, the Fort Bragg Officers' Spouses Club has enjoyed a longstanding relationship with the Fort Bragg community. In support of this relationship, we have continually worked to uphold our mission of charity, friendship, hospitality, and support. Our purpose is to develop and foster a spirited community of responsibility at Fort Bragg, to provide welfare as well as opportunities for social, cultural, and creative pursuits, and to support worthwhile service and community projects. As an all-volunteer spouse organization, we have contributed countless hours in support of the Fort Bragg community and have distributed tens of thousands of dollars in aid to soldiers and military families.

In the past month alone, we have held two of our main fundraisers: the Yule Mart craft fair which was open to the general public and our Tour of Homes which was open to ID card holders and their guests. Proceeds from these events go to our welfare and scholarship funds that benefit military families and the Fort Bragg community. These events have kept our membership and board extremely busy.

In response to recent interest in the membership requirements of our organization, we will review the issue at our next board meeting. This will be our first opportunity for our board to discuss the issue since it has been brought to our attention. We intend to review the request in a timely manner. As an all-volunteer board during this busy holiday season, we request your patience in allowing us to properly address and review this membership issue while fulfilling our obligations to our current membership as well as to our families.

On behalf of our organization, we wish you all Happy Holidays and a wonderful New Year.
